Keeping You Informed

As our busy summer ends and we look forward to our quieter time at the museum I want to thank our volunteers for all their hard work helping our little scavengers and their parents enjoy what our museum has to offer for everyone. Thanks to our summer volunteers. Hope to see you all next year.

Our latest addition to the museum are two binders of inspirational emails sent by Chickie Flora to the Catholic Daughters every day during the pandemic. Stop in and browse through the binders. I promise you won't be disappointed.

As we did last year, the museum will be closed in January and February, our historically slowest months. This gives us a chance to spruce up and update our exhibits. If you wish to visit during that time, please call me at 856-981-3465 and I will make every effort to accommodate you. Thank you for your continued support of the Sea Isle Historical Museum and hope to see you soon.

*Wishing you a Safe and Happy 2024
