President's Message

Spring has finally arrived and summer can't be far behind. We are looking forward to all the seasonal visitors and especially to the return of all the children who love our annual scavenger hunt.

The winter has been eventful. Some exciting, but also sad. Our long time curator, Barb McKeefery lost her hard fought battle with cancer. She was an institution at the museum and will be sorely missed. Our past president, Abby Powell has graciously agreed to step into those large shoes and become our new curator.

On March 16th the museum hosted an extraordinary event commemorating the 62nd anniversary of the Storm of '62. The event was the culmination of months of research and hard work by Pat and Caitlin Haffert. It drew a crowd of almost 200 people. If you missed the event there is a link on our website where you can view the entire program.

Spring is our annual membership drive. The cost of membership is only \$10 and your contribution helps us to keep the museum fresh and interesting. There is a form attached for your convenience.

We are Going Green! If you have not joined us please go to our website and signup with your email address.

We look forward to seeing everyone soon. Thank you for your support.

Joyce Molter
President
